

Online Backup for PCs, Servers, Laptops & Macs

Backup Direct offers 20% discount price for all Beacon Companies on PC, Server, Laptop & Mac backup

Backup Direct, the business-backup company, is offering all Beacon South West companies a 20% discount offer on all of its online backup services. Online backup is the new method of data backup that is fast replacing tape as the preferred way to insure company data. It's more secure, reliable and easy to manage.

As a Beacon member, you have to opportunity to save money of one of our many backup services. Whether you simply need to backup data stored on a single PC, or you have multiple servers to protect, Backup Direct has a variety of different technologies available to suit your situation.

Thousands of organisations and more than 3.5 million people worldwide rely on the same technology we use to help manage their most current and valuable data.

Try before you buy
