

Beacon company, **Concorde Copiers** is offering all Beacon members an additional **10% discount** above all the usual discounts it offers, plus fast and efficient 'Beacon quality' after sales support.

With the Head Office at Exeter Airport, Concorde Copiers also has offices strategically positioned across the South West - Dorchester, Plymouth, Barnstaple, Liskeard and Newquay - and is in a strong position to offer its services to fellow Beacon companies throughout the region.

As agents for a number of leading manufacturers, the Concorde team can supply and support :-

- Digital copier/printer/scanner systems both black/white or full colour
- Digital laser printers with a very economical price per page
- Integrated or stand alone facsimile units
- Production Print heavy duty models, black and white or full colour
- AO Plan Printers/banner printers/CAD design models
- Digital duplicators, black/white and colour
- High-speed scanning/document storage-retrieval systems
- Accounting and cost control systems
